

Jean Lafitte National Historical Park and Preserve

Chalmette Battlefield and National Cemetery General Management Plan Amendment and Development Concept Plan

Help us improve the preliminary concepts by telling us what you like and dislike about each one. Feel free to make additional comments on separate sheets of paper and enclose them with this form. You may also submit comments by email to tim_bemisderfer@nps.gov. Please note that response forms downloaded from the project web site are not postage-paid.

If you are not familiar with the concepts, a detailed description of each can be obtained from the project web page (www.nps.gov/sero/planning) or by calling Dee Landry at 504-589-3882 extension 123.

Preliminary Concept A: Why I like or dislike this concept...

I think this concept has the following advantages:

-
-
-

I think this concept has the following disadvantages:

Please fold this response sheet in half so that the National Park Service mailing address is visible, tape it closed, and drop it in the mail.
You may enclose extra sheets of paper with additional comments if you desire.

HOW TO USE THIS RESPONSE FORM

Use this response form to tell us your ideas and concerns about the preliminary concept designs for Chalmette Battlefield and National Cemetery.

Feel free to make additional comments on separate sheets of paper and enclose them with this postage-paid form. You may also submit comments by email to tim_bemisderfer@nps.gov.

If you would like to receive future updates on this project, please provide your complete mailing and email addresses.
